

VISION

2023

THE OLD THINGS HAVE GONE AWAY,
AND LOOK

NEW THINGS
HAVE ARRIVED!

"So then, if anyone is in Christ, that person is part of the new creation. The old things have gone away, and look, new things have arrived!" 2 Corinthians 5:17 CEB

It's hard to believe that three years ago, a worldwide pandemic shook the world and the church in more ways than we ever thought possible. By God's grace, in 2022 we began to see the normalcy of life resume without the hinderances of years passed by. We all fought new routines we had created, and reignited a greater passion and importance for the things of God and Church. For many years the month of January tended to be a quieter season for our church coming out of Christmas, as businesses closed down and families spent time with their loved ones over New Years celebrations and school holidays.

For us, as a Church, this December and January have been different than any year we have experienced. For what has always been deemed a quiet season, there is a hunger and a stirring to be in the house of God with a vast attendance throughout all services. Every week new visitors and families are continuing to walk through our doors, alongside a congregation who are hungry and expectant for the Spirit of God to show up. This reveals in so many ways that today, is a New Day! The old things have gone and new things have arrived. The prophet Isaiah said *'forget the former things, do not dwell on the past, behold God is doing a new thing'.*

Isaiah 43:19 (CSB)

*"Look, I am about to do **Something New**,
even **now** it is coming. Do you not see it?
Indeed, I will **Make a way** in the wilderness,
Rivers in the desert."*

If we are focused on yesterday's hurt or worry, we will miss today's destiny. In 2023, God is saying 'forget the former things, quit dwelling on your mistakes or the mistakes done to you, this is a new day'. To live in regret will always keep us from living in new God given opportunities. As long as we're looking back at the old, we won't see the new God has for us this year. When you're driving in your car today, you'll realise there is a bigger windscreen in front of you than your rear view mirror. The reason why your rear view mirror is so small is because what's behind you is not nearly as important as what is in front of you. Where you're going is what matters, not where you have been!

In 2023, we are believing, praying and interceding that this year will be a New Day for our people, for our families and for our church. We want to be a community of believers who will make room this year, follow the voice of the Holy Spirit and walk in what He has called us all into. We pray that this year Dunamis Church would not merely be a place of entertainment or routine attendance, but where the presence of God is spontaneous, uncontrollable and allowed to freely move in our lives and community. We are believing for a move of the Holy Spirit. It's evident that the Lord is doing something new. Let's *perceive* it, and grasp all that God has for our Church this year. 2023 is a new year, today is a New Day.

PS SHAUN
& SANDRA

STAFF MEMBERS

SENIOR PASTOR
SHAUN HANSEN

Pastor Shaun and Sandra are the founders and current lead pastors of Dunamis Church. Together they had a God given calling and hunger to see our city reached for Christ. They took a step of faith into the unknown and ran their first service from their living room in June of 1992. This year represents our 31st year as a church, whilst we have also seen several campuses across the state of Queensland, that still exist or have been released. Our church has and will continue to have a generational impact upon our city and beyond for decades to come.

SENIOR PASTOR
SANDRA HANSEN

Pastor Sandra will continue to oversee our ladies ministry as a whole. That consists of weekly and fortnightly meetings, quarterly special events and our annual women's conference. Pastor Sandra has a desire to see the women of our church step into all that God has for them. Pastor Sandra, alongside her leadership team continue to make a huge impact upon the women of our church. Pastor Shaun and Sandra continue to run various ministries alongside each other through the means of discipleship, life groups and fellowship.

SENIOR ASSOCIATE PASTOR
JOSIAH HANSEN

As Senior Associate Pastor, Josiah continues to handle the operational side of our Church as a whole. Overseeing all staff, ministries, departments and operations of Dunamis Church. Pastor Josiah continues to support the vision of our Senior Pastors, whilst instilling new vision for the future of our Church.

MUSIC & CREATIVE PASTOR

JACINTA HANSEN

Pastor Jacinta oversees our Music and Creative Department in her part time role at the church. Pastor Jacinta alongside her leadership team continues to bring a fresh touch of the Holy Spirit into our church through the gift of praise and worship. Their dedication and sacrifice is evident as they continually bring our church into new levels of anointing.

Pastor Jacinta also assists Pastor Sandra through our women's conference and special events.

OFFICE MANAGER

SARAH DENGATE

Kelly Nicholson has been the Office Manager for the past 18 months and has done an outstanding job in managing our administration. Early

February in 2023 an opportunity opened for Kelly to own her own business dealing with promotional hampers. This decision was not taken lightly, but we are excited and supportive as Kelly takes a step of faith with this new exciting venture.

Upon this spontaneous decision Ps Josiah was able to find a suitable candidate within a matter of hours to replace Kelly's role as Office Manager. Thankfully by the goodness of God the right person was led to this job opening. God was speaking with this person months prior and preparing their heart as they felt called and led to one day work for the Church in their gifting.

We are excited to have Sarah Dengate as our new Office Manager, her first day of work will be Tuesday 21st February as Kelly finishes off on the 24th February, 2023. Sarah has previously dealt with managing, organising and planning in her previous job through an administration role. We look forward with anticipation to the great things Sarah will add to our administration office and team.

OFFICE ASSISTANT &
DSM ADMINISTRATOR

ERICA LUCHA

Erica helps assist our administration through the means of support, assistance and co-ordinating our reception. Erica also assists Pastor

Josiah in supporting him with the various planning and rostering our church requires. Erica took on the Dunamis School of Ministries Administrator role in 2022 and has been doing a tremendous job! Erica has a passion and a desire to see people equipped and raised into God's given call. We look forward to seeing all God has in store for Erica as she helps equip both existing and new students throughout this year.

YOUTH PASTOR
JAKE O'BRIEN

Pastor Eric met with Pastor Josiah in December 2022 and felt his time as Youth Pastor had come to a close. Pastor Eric faithfully served 3 years as our Youth Pastor, helping to navigate our youth ministry through the beginning of COVID-19. We thank Pastor Eric and Lexi Morales for shepherding, believing and equipping our youth for the past 3 years so diligently!

Both Pastor Josiah and Pastor Eric felt God was calling Jake and Chelsea O'Brien into the role of Youth Pastors to 'carry on the baton' in 2023. We are excited to formally welcome Pastor Jake and Chelsea as our Youth Pastors, with an exciting change of name to 'Radical Youth'.

Jake and Chelsea said: "When a ministry goes through change, the almighty God we serve stays the same. This year we want to make memorable memories with young people. We pray this year brings a freshness to 'Radical Youth' as God uses the youth of our Church as a vessel to do a new thing".

We look forward with anticipation for what this year unfolds over Pastor Jake and Chelsea's leadership and Radical Youth.

YOUNG ADULTS:

Pastor Danny and Melissa continue to be a huge pillar of strength to our Young Adults community and our church! We love their heart for people and continual desire to build God's kingdom in every season God brings upon their path. The youth and young's adults of our city are our future, and we endeavor to provide outlets and opportunities to meet, engage and connect young people to Jesus.

Our young adults will continue to gather fortnightly through intentional meetings, connect groups and special events with guest speakers in 2023.

COMMUNITY PASTOR:

Pastor Danny stepped into the role of 'Community Pastor' in 2022. This role continues to be exemplified through the means of community pop-up shops, feeding those less fortunate, community shelters, Police Youth Justice Systems and various other avenues.

Pastor Danny and his team recently completed the newly established 'Dunamis Community Pantry' behind the church cafe. This shop is currently open every Sunday from 8:30am till 11am, continuing to help those struggling, conflicted or in need, whilst being a place and a community where the people of our city can talk to someone who cares.

YOUNG ADULTS PASTOR &
COMMUNITY PASTOR
DANNY O'BRIEN

ASSOCIATE PASTOR
SHANE WEAVER

Pastor Shane continues to pastorally oversee our Seniors Ministry through the means of fortnightly and monthly gatherings. We endeavour to provide many outlets for our church to feel valued, loved and cared for.

Pastor Shane continues to support the operations of our church from men's discipleship groups, men's breakfast and overseeing the maintenance of our church through his vast knowledge and expertise.

CHILDREN'S PASTOR
KIARA COLE

Pastor Kiara stepped into the role of Children's Pastor in May of 2022. We're tremendously proud of Kiara as she continues to build a new leadership team and dynamic to better equip our future world changers. If you're not aware, throughout the past 6 months our Children's ministry has seen unprecedented growth in attendance. We appreciate every leader who sacrifices their time to support and build the children of our church family.

Our children's ministry not only teaches our children key fundamentals, but helps enable parents to participate and engage in our Sunday services each given Sunday.

RETIRED PASTOR
VI HANSEN

Pastor Vi continues to be an incredible asset to our church community and pastoral team. As seasons are shifting, Pastor Vi continues to be a light in our church community alongside our seniors. We appreciate her continued sacrifice and commitment. She is a pillar of strength, wisdom and compassion upon our church at large.

Pastor Vi is continuing to help the seniors of our Church, through the means of individual and corporate fellowship. She is a pivotal member of our Seniors Group committee, under the guidance and leadership of Pastor Shane.

KOREAN PASTOR
MATTHEW KIM

Pastor Matthew alongside his wife Jin felt their season had come to a close towards the end of 2022. They've been faithfully running an independent Korean service down stairs in our basement for the past several years.

This year they will continue to support our Korean church members who are joining us for our regular Sunday services, through the means of translating to Korean, pastoral care and intentional fellowship. Pastor Matthew and Jin endeavour to support the works of missions through Korea and other international countries this year.

SOUND, VISUAL & STREAMING
ED DEYOUNG

Ed has a passion and a desire to continually grow our technical department to reach those far and wide through the power of technology. Ed continues to be a great pillar to rely upon in our sound and visual department as a whole.

Ed will continue to function in his gifting and strive to better our Sunday services and ministries throughout the life of our church. We appreciate Ed's continued sacrifice and creativity behind the scenes, rostering and the training of volunteers.

MEDIA DEPARTMENT
JAKE O'BRIEN

Jake alongside his role as Youth Pastor will continue to help our media department one day a week in 2023. His previous role and creativity as our graphic designer has been a fundamental asset to our church in more ways than one.

This year we are contracting another graphic designer to help fulfill the continued demand of our media department, whilst releasing Pastor Jake to fulfill what God has called him to do in our Youth Ministry.

BOARD MEMBERS

Our church board provides direction for our church at large, ensuring compliance, managing our facilities and helping ensure strong relationships with the local community. The board responsibilities are many, but the most important is ensuring that the ministry is financially viable and that it fulfills its core mission. This is done by developing strategy, monitoring performance and ensuring church financial accountability.

We value the guidance and input of our board members. They are continually providing great insight and support in this time of growth.

VOLUNTEERS & VOLUNTEER OPPORTUNITIES

Jesus himself said in Matthew 20:28 (HCSB)

“Just as the *Son of Man* did not come to be served, but to serve, and to *give* His life - a *Ransom* for many.”

Jesus was the ultimate example for serving others. He was fully God yet He came to serve man. He set the example for not only the disciples but also for us that serving others is greater than being served. Church is so much more than simply coming to hear a good sermon, sing powerful songs and then go home. We're called to serve others by sacrificing our time, our resources and efforts we are exemplifying God's importance and priority in our life.

To serve means to fill a gap, to contribute, to add value, to be proactive, to find solutions. It's a posture of our heart to say, "I'm available, I can help". When we volunteer at church, we are serving others. We are welcoming people, teaching kids, loving on others. When we do these things for people, we are ultimately doing it for God.

So, now that you know **WHY** you should volunteer at church, you can jump in and do it! We'd love to get you involved and serving in a team or a department.

Love kids? Talk to Pastor Kiara on how to volunteer in the Kids Ministry.

Love to sing or play an instrument? Talk to Pastor Jacinta about how you can serve on the worship and creative team.

Not into Kids or singing, that's okay! Join the hospitality team, greeting team, tech team, or ask a Pastor what other ways you can volunteer and be a part of something bigger than ourselves.

We look forward to what 2023 has for our Church, we anticipate great things for our church corporately and personally. If God has been speaking to you in regards to serving in a specific department or the general Church please speak with one of our pastoral team members. We would love to have you involved in whatever capacity that may look like. As believers we're called to not just spectate, but participate. We participate through the means of worship - in the way we give, how we serve and steward the gift God placed within all of us.

FINANCIAL GIVING OPPORTUNITIES

TITHES & OFFERINGS

We are grateful for the past but even more committed to the future. As a Church, we rely on the consistent financial contributions of our Church family to function. Because of your commitment, our church is continually making an impact both in and through our city. If God has been speaking to you in stewarding the gift of generosity, there are many opportunities to sow financially into our church. Whether that be through tithes and offerings, individual department and group meetings, monthly Parable of the Talents, Dunamis Community Care and other various projects that continue to arise. **2 Corinthians 9:6**, *"Those who sow generously will also reap generously."* We are believing and praying for unprecedented favour upon our Church in 2023. As you steward a heart of generosity, we know God will entrust you with so much more. God is faithful and looks for those whom He can entrust.

DEPARTMENT & GROUP OFFERINGS

If God has been speaking to you about sowing into a department or outreach, we would love to better serve our community, through your generosity. For instance:

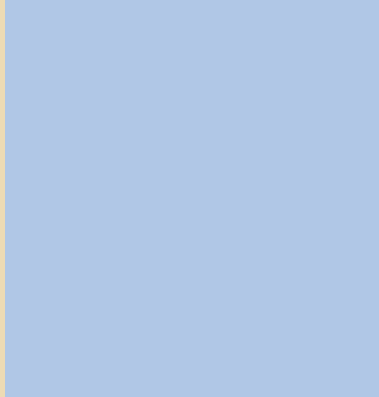

- Our Worship and Creative Team give offerings at their regular Tuesday practices to raise funds toward new projects and goals.
- Our Youth and Kids have various special events or families they're supporting.
- Our Tanah Merah Community Markets continue to bless our community of Logan City through the means of fresh fruit and produce.
- Our newly established Dunamis Community Pantry is continually showing a safe place to support, contribute and care for our community and beyond.

Prayerfully consider how you can partner with a department or special event within the church. We are forever grateful for your generosity in the Kingdom of God.

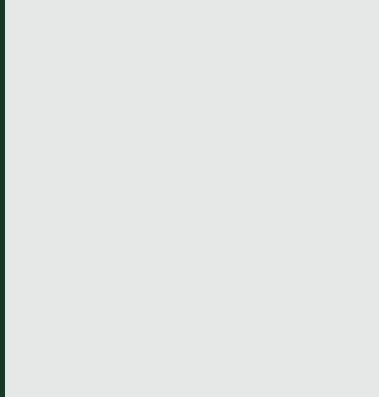

PARABLE OF THE TALENTS

In late April 2014 Pastors Shaun and Sandra released \$500 to five people in \$100 amounts. Inspired by the 'Parable of the Talents' they encouraged people to take that \$100, multiply it and return it with their increase after one month.

At the end of May 2014, the \$500 they initially released together with the increase became a total of \$1500.00. Continuing almost 8 years later, we have seen over \$235,249.00 returned from incredible stewardship within our Church. Pastors Shaun and Sandra are looking for men and women to join with them and help build a bridge of financial increase for our church. No one can build the whole bridge alone, but we can all be a part of it. We invite you to be a part of this exciting journey and to partner with us in faith and see what God can do. In one month, the faith of five people saw a 200% increase. Will you prayerfully consider how you can join with us and multiply the \$100 seed to at least double the return at the end of the month?

RENOVATIONS

POSTPONED RENOVATIONS IN 2022

After launching Vision Sunday in 2022 we were hopeful to continue renovations throughout our church facility after achieving vast accomplishments in 2021 throughout our auditorium. On Friday 25th February 2022 we were hit with the unexpected. The rain never ceased by Tropical Cyclone Debbie and flood waters continued to climb spontaneously like 2017 and 2019. What was once reiterated as a 'once in a 100 year flood', we saw record numbers broken in 2022 with flood water reaching over 2m in height in our Church basement.

By the help of our community and experience from this being our third flood to unfold in 5 years, we cleaned and bounced back in a matter of 7 days. Unfortunately, this flood led to a multitude of repairs such as flooded circuit boards, power points, various skip bins and other expenses. This unexpected event led us to pay over \$40,000 of expenses until our insurance payout was finalised 7 months post flood.

In 2022 we finished the remaining renovations in our Kids Church:

- Laying carpet tiles 180^m² - \$1,683.00
- Carpet removal - \$1,250.48
- 180^m² Carpet tiles (covered by the extra tiles from the auditorium renovation)

RENOVATIONS IN 2023

We endeavour to conduct our church with a 'spirit of excellence'. We want our facilities to reflect to our community that we care, we also desire to steward what God has placed within our hands. Our church facilities are used several times a week in various ways as a tool for God's work. Although a building is insignificant without its people, our facilities continue to be a place that houses God's people. This year we have already completed the following:

CHURCH VEHICLE PROTECTION: At the bottom of our church carpark we built a designated car park structure to specifically protect our Hino truck and 12 seater bus from the Australian harsh elements. Over the years we had significant rust and damage to church vehicles due to being outside in the sun constantly (Unfortunately, these two vehicles are too tall to fit under the church basement).

NEW TOYOTA HIACE BUS: We just acquired a new Toyota Hiace (12 seater) bus after selling our previous bus, that we owned since 2007. We are excited that this new bus will be protected from any future costly paint expenses from being stored permanently outside. Our new bus is able to be driven with a regular car license and is our first ever automatic bus that we have owned. We hope this helps more drivers wanting to serve a ministry or department who were restricted due to not having a manual car license.

RENOVATIONS TO COME

LED AUDITORIUM LIGHTS: For the past 18 months we have been working towards replacing all lights in our building to LED high bay lights. This consists of our main auditorium, kids church and the kids church common area. The existing mercury lights in the auditorium by law was phased out in 2022 and left us unable to purchase replacement bulbs in the future. Last year we were able to start in our smaller areas and change over Kids Church and their common area to LED. This year in February 2023 we replaced our Church Auditorium with twelve LED high bay lights that are now dimmable and controllable from the sound desk. This cost was \$5000 for the lights and installation.

ADDITIONAL AIR-CONDITIONING IN THE AUDITORIUM: Many have noticed that our auditorium air-conditioning has always struggled keeping up with the Australian summer. In December 2022 one of those 20kw ducted unit's broke down with an intermittent problem, leaving us with one aircon system broken down during the peak season. This aircon unit will be repaired finally by Samsung mid March, only costing us several thousand instead of replacing the whole unit for \$15,000.

After some research and calculations we also discovered that the Air-conditioning capacity for the size of our auditorium should have been doubled, yet we only had 80kw of air-conditioning installed in 2016. We were able to find a wise and smart solution to get more kilowatts in our auditorium with outing spending excess amounts on new ducting. We have recently added 56kw of more air-conditioning through 'four cassette units', which consists of two units at the front and two at the back of the auditorium. These 'cassette units' have been working very effectively in our Kids church and will save us ten's of thousands of dollars just on ducting alone. This expense was \$25,423.20 (4x 14kw cassette units with installation in our auditorium)

KIDS CHURCH COMMON AREA: After completing the Kids church auditorium renovation in 2022 we renovated the carpet to match our main auditorium and installed Air-conditioning in the children's facility. We're looking to follow through with the common area of Kids Church by firstly tearing down the old Bible college reception desk that has not been used professionally for over 10 years. This will create matching carpet that flows from our auditorium, kids church and common area that leads to the mothers room, playground and teaching rooms that are used every Sunday.

MOTHERS ROOM: Due to the growth of Kids church over the past 6 months, numbers have come close to doubling in size which leads to a lack of space in teaching rooms. We are creating a new purpose built mothers room right next to the auditorium for easy access and better privacy. This new mothers room will contain purpose built feeding cubicles behind curtains, a wash area for bottles, a microwave and rocking chairs. The existing mothers room at the back of the common area will be used for extra teaching rooms for the growing diversity of kids each Sunday.

CHURCH STAGE: In continuation of our recent auditorium renovation in 2021, we will endeavour to renovate our stage shape, design and material. We have been planning a new stage design to make our stage bigger, more presentable and complimenting our recent renovation of our carpet, paint and chairs.

Prayerfully consider partnering with us this year in 2023, as we endeavour to take more ground upon our church as a whole. God is moving among us in Logan city and beyond. We are so thankful for your generosity and heart for this house.

You will **IN THE WORLD**
HAVE TRIBULATION
BUT TAKE HEART
I HAVE OVERCOME
THE WORLD

NEW BUILDING PROJECT

Towards the end of 2022 we were able to confirm the future of our new and current building from being consumed by the 'Department of Transport and Main Roads' for future development. There were concerns and a preliminary evaluation to consume our property as a whole, repurposing it for the Pacific Motorway M1 upgrade from Daisy Hill to the Logan Motorway. After an in-person meeting at the DTMR head office in Nerang last October, by God's goodness and faithfulness we will continue to stay within our property. Free from any further developments or plans to develop our property as part of the M1 upgrade in the near future. God is faithful, His promises will always be yes and amen! To the left is a photo ('concept for consultation' of the works to be conducted around our property in the near future').

With this confirmation sorted with the 'Department of Transport and Main Roads' we are endeavouring to resume the continual planning and approvals to build our new foyer, toilets and various room's behind the current kid's church facility. This year in 2023 we aim to finalise and establish the electrical fit-out, have completed the electrical meters and connection to the new building and the plumbing fit-out for the toilets. Whilst obtaining all necessary approvals to achieve our 'foyer' completion goal by the end of 2024. Next year in 2024 we're praying all fit-outs will be complete to begin the finishing stage of the new building, such as gyprock, paint, carpet and the final fit-out. Our goal is to have the new foyer complete and occupied within 2 years from today. This completion will see the relocation of our 8am chapel service to the new church foyer, with it's own designated facility to host this specific Sunday service.

To help achieve this goal for the new building we are forming a 'building project team' (as per the Church Board's request) who will offer professional and intentional advice. This team will work together to achieve our goal of occupancy for our 8am service. This board will contain, but not limited to the following members:

- Josiah Hansen – Secretary – Ordained Minister (Board member)
- Colin Street – Director - Building Project (Board member)
- Andrew Hannam - Business owner - Electrical engineer

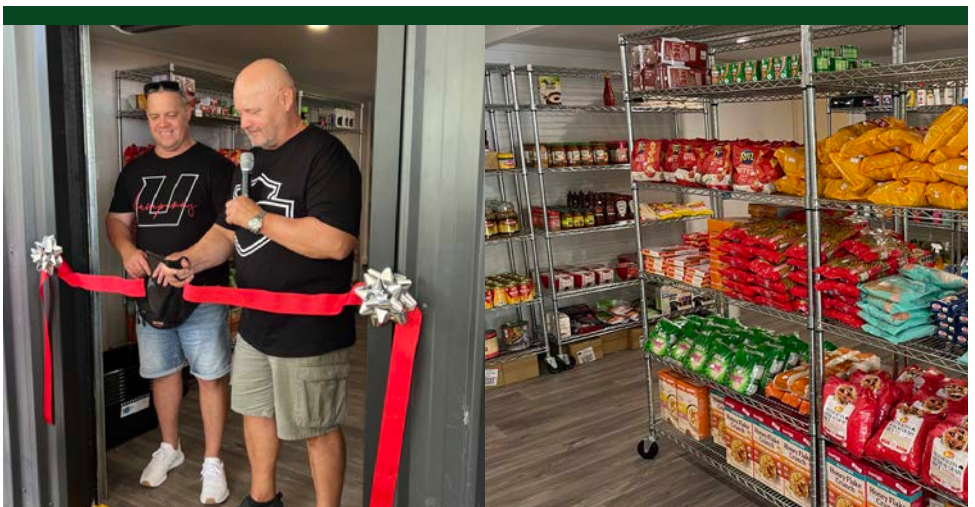

We look forward to seeing the development of our new building progress into all that God has spoken and promised us. We believe that what God started, He will complete!

Dunamis Community Food was first birthed four years ago from a desire to see our community blessed and touched by the unconditional love of God. What first began as a dream and a idea through Pastor Danny and Melissa has grown into a permanent shop behind our Church cafe that is open every Sunday from 8:30am to 11am.

Over the past 2 years we've seen families within our community first hand struggle as the cost of living continues to climb. Pushing families into financial and physical pressure as the affordability of living soars with fuel, groceries, expenditures and a rental crisis. The Dunamis Community Pantry is a place where our community at large can purchase affordable regular household items, pantry and general food whilst being loved and cared for by our church volunteers.

Pastor Danny and Melissa mentioned: We are excited for our Community Food outreach program for 2023. In January 2023 we successfully finished the building of our new permanent pantry, open to both the community and our church family. Pastors Danny and Melissa have a heart for the community and believe through this ministry we can pour Gods unconditional love to the lost in our city. The pantry will be open regularly on a weekly basis along with the monthly Tanah Merah Community Markets. We also provide regular food hampers to people in need in our community along with the Youth Justice Police Response team in Logan City. If you'd like to partner with us, please contact Ps Danny or Melissa to discuss your contribution.

The Tanah Merah Community Markets first took place on Saturday 10th August 2019. What a journey God has brought us through over the years, every month we've seen hundreds of unsaved people venture to our church market. We've seen God's hand through this market in the wildest ways, from church tours for people wanting to know more, to stall holders coming to a Sunday service and creating a community where visitors feel safe, loved and valued.

Our market reviews have shown that people love the Tanah Merah Community Markets, we've received many reviews stating we are a friendly, caring and loving place to stroll through. We pray that this market continues to be a vessel that God uses for His glory. Through the running of the monthly markets we will endeavour to provide ways to give back to the community.

- 1.** Fresh Produce will continue to be our staple at each market, offering a variety of fresh local food ranging from fruits, vegetables, eggs, honey and so much more. From local farmers and markets we are able to source and offer the community of Logan City lower priced produce than any store or retail giant. Through the generosity of our church each month we are able to subsidise cost to bring savings to our community and those struggling.
- 2.** Dunamis Community Food exists to provide non-perishable products ranging from \$0.50 to \$5.00. Through our partnerships we have been able to provide nonperishable/pantry items that are in date and straight from the warehouse.
- 3.** The Tanah Merah Community Markets have helped bring the neighbourhood together, through a sense of community, support and encouragement. We have been able to provide a vessel that God uses each month in bringing everyone from all walks of life together. Our market is continually reviewed as a place that is safe, friendly and welcoming.

Matthew 5:14-16 (ESV) "You are the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."

If you would like to assist in our market once a month we would love to have you join the team to show God's love to our community.

DUNAMIS

School of Ministries

Over 10 years ago as a church we had a Bible college called Dunamis International College of Ministries. In 2022 from a call and a mandate to raise leaders with theological understanding we decided to have a soft launch for our new school 'Dunamis School of Ministries'. We pray that men and women discover their God given identity. Through Dunamis School of ministries we pray each student is disciplined in theological truths and the gifts of the Holy Spirit to be dispersed and sent out into their divine purpose.

The courses on offer will include the following: Christian Education, Christian Ethics, Christology, Church History, Church Growth, Church Leadership, Church Planting 1, Church Planting 2, Evangelism & Outreach, Hermeneutics, Homiletics - Biblical Preaching & Teaching, Missiology, New Testament 1, New Testament 2, Old Testament 1, Old Testament 2, Pastoral Care, Pneumatology, Revival History, Systematic Theology 1, Systematic Theology 2, World Cults, World Religions and Worship.

Students will graduate with a Certificate of Completion for each year of Dunamis School of Ministries. We decided to not make this an accredited school to provide affordability to everyone desiring to grow deeper in their theology of God. The Certificates of Completion are recognised by other ministries and churches. If you are interested in giving God a 'gap year', having a greater theological understanding or simply desiring to grow in depth with your walk with God, please reach out to our DSM Administrator, Erica Lucha.

EVENTS

PRAYER AND TEAM RALLY

Our monthly prayer and team rally takes place on the first Tuesday of every month from 6:30pm to 7:30pm. This is open to everyone and anyone who desires to pursue Jesus. We intentionally and strategically base this to be a time of prayer and worship.

SUNDAY NIGHT CORPORATE PRAYER

Towards late 2021 Pastor Josiah had a yearning desire to see His church in desperation for a move of God! This started as something personal where Pastor Josiah prayed before each Sunday night service and anointed every chair in the auditorium. Over time that singular fire turned into a call to pray before the service began. We've heard countless testimonies, visions and prophetic dreams that has come out of this time of prayer. We look forward with anticipation of what God will do through our relentless pursuit of the Holy Spirit this year.

KIDS AND YOUTH CAMP

This year we'll see separate Kids and Youth camps take place toward the end of the year under the guidance of our children's Pastor Kiara and Youth Pastor Jake. The youth and kids of today's generation long for encounters with a living God, and we endeavour to provide moments to encounter God, discover their calling and make lasting memories with friends in a safe place. We look forward to this incredible annual event that sees a multitude of children and youth, having fun, learning about themselves and encountering the Holy Spirit.

EASTER 2023

Our Music and Creative team have been doing a tremendous job over the years under the guidance and leadership of Pastor Jacinta. We have seen this team grow personally as they've stewarded their creativity and calling to bring our auditorium to a full capacity every Christmas. For the first time in over 6 years our creative team will bring back a special 'Easter Spectacular' show on Resurrection Sunday (9th April). We look forward with anticipation to this incredible event to portray the message of Christ to our community at large.

MOTHER'S DAY – SUNDAY 14 MAY 2023

Pastor Sandra will be sharing at our morning service followed by Pastor Jacinta at the 6pm, this will be a special day to celebrate all things mothers. All mothers who attend one of our Mother's Day services will receive a free gift on the day

EMPOWHER CONFERENCE – AUGUST 25-26 2023

Our annual ladies conference will be taking place from Friday 25 to Saturday 26 August 2023, under the new banner of 'EmpowHer'. The theme for this year's conference will be "New Day". Stay tuned for exciting announcements to unfold for this year's conference.

FATHER'S DAY – SUNDAY 3 SEPTEMBER 2023

Fathers play an important role in all of our lives, on Sunday 3 September we'll be celebrating all things 'Dad' with memorable moments, prizes and games to celebrate father's. Our morning service will involve an inspiring message from our Senior Pastor followed by a special event at our Tanah Merah Community Markets from 2:30pm.

CHRISTMAS AT DUNAMIS

Christmas is always the most joyful time of the year for us as a church. We strategically have events on every week to appeal to all demographics and interests in our community. This year we will see the following events unfold:

- Tanah Merah Community Markets (Christmas tree lighting) - **Sun 3/12**
- Christmas Carols Spectacular - **Sun 10-12**
- Adore Worship Night - **Sun 17/12**
- Christmas Eve Service - **Sun 24/12**
- Christmas Day Service - **Mon 25/12**
- Personal Communion - **Sun 31/12**
